Tokyo, Hong Kong, Shanghai

9

3 x 3 world.
Jean-Philippe Schweitzer

I live in Shanghai where I lead the Asia R&D on Photovoltaic & solar energy of a multinational company. Serious amateur photographer, I travel the world with an open mind to meet the people, curious eyes to grab all instants, and a camera in my hand to try to catch these instants.

Hong Kong, 3 mondes
Communication, connexion et anonymat

Communication, connection and anonymity.
La toute puissance chinoise, et ses laissés pour compte.

The rise of the Great China, and the left overs.
